Permission to walk home (Y4 upwards)/ informing us of end of day arrangements (all parents)

Dear Parents,

In previous years we have requested that if your child is walking home then we require written permission in the home-school diary. In order to streamline our systems and processes at the end of the day and to ensure children's safety, we ask that you fill in the slip below to indicate if your child can walk home independently.

If your child is in Year 3 or below we require a parent or other authorised adult to collect your child. Anyone collecting must be over the age of 16. This also applies to any after school club activities.

All parents should continue to inform class teachers in writing if you have made any arrangements that are out of the normal arrangements, e.g. if your child is going home with another parent. If we do not have written permission then we cannot allow your child to leave until we have spoken to a parent.

Yours sincerely

Mrs Jill Sach
Deputy Head Teacher
