Friday 19th July: School closes for summer

Knutsford Primary Schools Netball & Football Leagues

Congratulations to the Year 6 netball and football teams. Both teams have had an amazing season and we're proud to say that the girls came first in the local school's league and the boys came second. The girls won all their matches in the spring season and the boys only lost one over the whole of the winter and spring season! They've all done incredibly well and everyone at Bexton is very proud of them. A huge thank you to Miss Hossack and Mr Roberts for their expert coaching and endless support for both teams!

Well done Year 6!

Last week Year 6 sat their SATs papers throughout the week. All the staff in the school were commenting how relaxed the children were. They were incredibly calm and we were very proud of their positive attitudes. It was lovely to see how excited the children were to come in each day- but this may have been more to do with the delicious breakfasts their teachers were offering!
A big thank you to all the staff who have supported the children throughout the week and all year. Thank you also to the parents for all their support; you should be very proud of your children.

After School Clubs for next half term

We will be releasing the clubs for booking on Tuesday at 10am. Please note if a club cannot be seen on the screen this is because it is fully booked. Please do not phone the office to enquire about clubs as this will prevent the staff from uploading them all in time. Many thanks in advance.

Sports Day- this Friday

A reminder that it is our Sports Day on Friday. The infant one will run 9.30-11.30 and the KS2 one will start at 1pm. Please note this is slightly later than the advertised time. As per usual junior children will need to wear a red, green, yellow or blue t-shirt to match their house team colours. There will be cakes & healthy treats on sale from 11.30 and 3pm in aid of KCFRT. If you are donating cakes please send them in with your child in the morning.

Eco-Team

The eco-team have been working extremely hard this term. They've met as a group and reviewed how eco-friendly we are as a school. There are three main areas they would like to focus on for the rest of the term:
-Reducing the amount of litter around the school. They are doing a litter pick on a Friday and regularly reminding children in assemblies about litter.
-Reducing the amount of waste in school. We are particularly looking at reducing the amount of food waste at lunchtimes.
-Encouraging children to walk, cycle or scoot to school. We will be having a 'walk to school' week the first week in July. If you have to drive we will be encouraging you to park a little further away from the school and walking a short distance.
A huge thank you to everyone who has supported the team, including Mrs Ledwith, Mrs Lea (a governor) Mrs Joyce, Mrs Snook and Mr Howman (site-manager).

Congratulations to Mr Wyatt

We are thrilled to announce that Mr Wyatt became a father at the weekend. His wife, Zoe gave birth to a gorgeous baby boy and they've named him George. Congratulations from all of us!
