

Stride/ Ride to School Week Monday 1st July to Friday 5th July

This week we are encouraging children to walk, cycle or scoot to school. If you live too far away to do this please consider parking a short distance away from the school and walking the rest. This may even be quicker than searching for a space close to the school and will reduce traffic and pollution near the school.

*All times are approximate. Please be considerate of residents when parking.
