### Staff news

#### New Key Stage Managers

Congratulations to Miss Chadwick (KS1) and Mrs Evans (KS2) who were appointed as our new Key Stage managers last week. Should you have any queries or concerns, please feel free to contact them through the office.

#### New appointment

A warm welcome to Mrs Rosie Simon, who we recently appointed as a teaching assistant. She is working in Y1 in the afternoons and three mornings in Y6. She is already making a great addition to our team!

#### Muddy paths

As the weather has been so wet recently, the grass around the EYFS area has become very muddy. Please bear with us. We have asked our grounds contractor to increase the width of the track around the EYFS play area which they plan to do in the next few weeks. In the meantime could parents keep the area around the EYFS gate as clear as possible at pick up and drop off times. Many thanks for your cooperation.

To do My Maths homework on an iPad download 'Puffin Academy' on iTunes and search for 'My Maths'.

#### What has impressed us this week...

- The improvements in the dinner hall. The children are eating beautifully and scraping their plates carefully. Well done to all the children!
- The quality of writing produced from the crayons day. It will be displayed in the entrance hall from next week.
- The children have been trying hard to keep their cloakroom areas tidy and look after their belongings around school.
- The standard of displays in school. The staff work really hard to share and celebrate children's work across the school. Big Ben has appeared in the Junior corridor this week!
- We have been visiting classrooms and looking at the children's work. We were particularly impressed by the standard of handwriting across Year 4.
- The number of parents who have responded to say they are coming on Tuesday night! We have had over 80 responses so far. There will be a short talk from our Chair of Governors, Mrs Armstrong and a video showing children talking about what makes Bexton great. We hope to see you there.
