Need to know:

Sports Week: Mr Evans has written to parents to let them know all the information about sports week and the agenda. We've given an abbreviated version below. The key information all parents need to know is that uniform is sportswear all week (except Y4 @Cheshire Show) and that children will be spending more time outside so to make sure children come to school with hats, sun cream and water bottles. Please can we also ask that PE kits are returned to school for Monday 26th June so that normal PE lessons can resume.

Sports Day Information (Friday): The timings for Sports Day will be **9.30am** for nursery children, reception, year 1 and year 2 children. The KS2 sports day will run from **1pm**. The infant gate will be open for ten minutes at the beginning and end of each event, but any parent arriving late must go through the front entrance as the gates will be locked at all other times. Refreshments will be served at each event.

Children in Reception to Year 6 all need to wear a coloured t-shirt that matches their house team. Please ask your child which team they are in.

Medium Term Plans & Sex Education (Jigsaw): All of the summer 2 medium term plans have been uploaded to each year group page and to this page. This half term the Jigsaw unit is Changing Me and contains content and vocabulary related to sex education from Year 2 upwards. We have put information on our [website](#) giving more information about the content and if you require more information, Mrs Sach can send you an access code to view the teaching materials used by your child's teacher. Parents have the right to withdraw their child from sex education and this request must be put in writing to the headteacher. We hope that the information we provide reassures parents that the content is addressed in an age-appropriate and respectful way.

Measles Cases

UKHSA has reported an increase in measles across the country and is encouraging people to check that they and their children have had two doses of the MMR vaccine. If children and young adults have missed these vaccinations in the past, they can get the vaccine now from GPs, particularly in light of the recent cases. Anyone with symptoms is advised to stay at home and phone their GP/NHS 111 for advice.

Measles symptoms include:

- high fever
- sore, red, watery eyes
- coughing
- aching and feeling generally unwell
- a blotchy red brown rash, which usually appears after the initial symptoms

Sponsored Run

Through Wednesday's Sponsored Run we will be raising money for our FOBs project of building canopies outside the classrooms. These will help give further opportunities for the children to be outside and active in all weathers. They will also provide a shelter for parents on wetter days.

Children can be sponsored per lap and on the Wednesday they will come home with a certificate to say how many laps they completed. Donations can be made through the Go Fund Me page. Thank you in advance for any donations.
