Need to know:

Uniform sale: We have nearly new uniform on sale at our office for the whole of this week. Please bring some change to make a donation to FOBs.

Swimming Lessons for KS2 children: A reminder that KS2 children will need to have in school (every day for the final week) their swimming costume, a towel, swimming cap, goggles and flip flops or sliders. Please put these all in a plastic bag with their name on.

Reading Books: Please can children and parents check book bags and at home for any reading books that need returning? We need to begin to sort and label the books for next year. Thank you.

Medication: If your child has medication in school, this will be sent home on Friday. Please ensure you return the medication in September and complete a new health form so we can continue to administer medication if needed.

Good Luck to our Y6s!

As we reach the last week of the academic year, it is time to say a heartfelt goodbye to our wonderful Y6 cohort. Despite having experienced some of the trickiest times in education over the last few years, they have shown incredible resilience, they have worked so hard and we will be very sad to see them go (although they've promised to pop back and see us!) Good luck Y6, we know you will be a fantastic addition to your secondary education and we will miss you!

End of Year Results

Please see the attachment with our end of year results across the school. We are exceptionally proud of achieving another year of significantly above national results, whilst maintaining a broad, balanced and engaging curriculum for all our pupils. We'd like to say a heartfelt thank you to all the staff who have worked so hard this year to maintain these exceptional results, whilst having the highest regard for children's emotional and personal development. As many of you have commented, they truly go above and beyond for the children every day!

As this is the last newsletter of the academic year, we'd like to say thank you to all our families who have supported the children throughout the year. We hope you have a well-deserved enjoyable summer break.
