Christmas Lights Extravaganza

For newer parents we thought it would be useful to share some information about what the Christmas Lights Extravaganza is and why we do it each year.

Each December for the last three years we have held this event, originally to replace the Christmas Fair during the Covid era. It was a huge hit with families and has continued to go from strength to strength each year.

This year the classes are having a whole day off timetable on December 1st to make their light installations, which have been designed to cover some of the art and design technology skills. We know the children will be very excited to share with you their creations as they are displayed along the trim trail on Wednesday 6th December. There will also be stalls where you can purchase refreshments, thanks to volunteers organised by Friends of Bexton. Separate additional information will follow.

Donations of Nativity Costumes

This was a very popular event last year with lots of costumes donated! Thank you for anything you can donate.

Pre loved nativity sale
 On Wednesday 29th of November.
 If you have any old costumes you could donate we would really appreciate it.
 Donations accepted and all money will go towards FOBS.
 Please leave all donations at the front office.

Thank you for your support.

Happy Birthday

Many happy returns to Aarav! Thank you for the birthday book for your class.
