

Everyone likes **good manners** and it's important to use them in the **digital world** too!

So, here are some **tips** to make sure you have the **best internet manners** around.

1

Treat your friends as you would like to be treated

2

Don't make fun of people online

3

If you wouldn't say it to a friend in person don't say it online

4

Respect other people's privacy

5

People can't see if you are happy, angry or sad online

6

Create a friendly and positive digital world for all

7

Don't make up things about others and share it online

8

Remember to never exclude your friends
