Early Education Entitlements – General information

Cheshire East Council makes different types of entitlements available:

- 30 hours childcare for working families of children aged 9 months upwards
- 15 hours funding for all 3 and 4-year-olds
- 15 hours funding for 2-year-olds receiving some additional forms of support. Some parents may be eligible for both the working families and the additional forms of support funding.
- Early Years Pupil Premium (EYPP)
- Disability Access Funding (DAF)

For more information about eligibility to these entitlements and how to apply for them visit the Childcare Choices and Cheshire East Livewell Help with Childcare Costs webpages: [Homepage](#) | [Best Start in Life](#) and [Help with childcare costs](#).

Funded Places at Bexton Preschool Nursery

Please note: 30 hours funding will only be applied once proof of eligibility (in the form of an eligibility code) is provided to the Nursery Manager. In addition, parents must reconfirm their eligibility each term.

These entitlements can be split between qualifying early years provisions and are subject to termly completion of the Parental Declaration form for funding. Changes to funded sessions can only be made on a termly basis.

At Bexton Nursery we pride ourselves on a provision that far exceeds the expectations of the EYFS Framework. In recognising that every child is unique and learns in their own way we seek to enhance their daily experience by providing a wide range of activities and experiences that engage, excite and stimulate.

Sadly, the funding that we receive from the government does not allow us to do this without asking for additional funding. For this reason, we ask for a voluntary contribution of £4.30 per funded session. Without this we would have to scale back the additional activities.

However, we do understand that each family's circumstances are different, and we are happy to discuss any concerns or questions you may have regarding these charges. If you do not wish to make the voluntary contribution, we kindly ask that you provide a snack for your child for each session, as well as any personal hygiene items (such as wipes, tissues, or any other relevant products) that may be needed throughout the day. If you wish to opt out of paying the voluntary contribution, we kindly ask that you schedule an appointment with our nursery manager to discuss the matter and complete the necessary paperwork. Kindly note that if you opt-out of the voluntary contribution and fail to provide snack and personal hygiene items, you will be charged for that day.

We are committed to working with all our families to ensure that every child can benefit from the high-quality care and education they deserve. If you have any further questions, or if there is anything we can do to assist you, please do not hesitate to contact us.

Additional sessions are available on a non-funded basis for two- to four-year olds. The fees for these non-funded sessions are detailed below.

It is your responsibility to inform Nursery of any changes to your circumstances which would affect your Early Years funding entitlement, as it is an offence to claim when no longer entitled.

Session Times

Our session times are: Morning 9:00 – 12:00
 Afternoon 12:00 – 15:00

You can also pay for Before School 8:00 – 9:00 ***Note that funding cannot be used to***
extended hours: After School 15:00 – 18:00 ***pay for extended hours.***

The Nursery is open 38 weeks throughout the year in accordance with the school's published term times. Any additional planned closures will be notified in advance.

Holiday Club sessions can be booked separately through the school.

Unplanned closures due to circumstances beyond our control cannot be refunded, for example due to adverse weather. However, please be assured that the nursery will only close in the event of exceptional or extreme circumstances or when there is a serious concern for the wellbeing of pupils and staff.

Changes to booked sessions / cancellation

We require one calendar month's written notice if you wish to reduce or cancel your child's sessions. If insufficient notice is given, full charge for the cancelled sessions will be made. Any increases to sessions or changes to days are subject to availability.

Agreed sessions for any term cannot be reduced once the relevant term has started.

Fees

Our fees from September 2025 are set out below:

Breakfast Session	£7.05
Morning or Afternoon non funded Session (2, 3 & 4 year olds)	£22.50
Voluntary Consumables charge (3 & 4 year olds)	£4.30
After School Session	£17.55

However, we reserve the right to review fees on a termly basis.

Fees are charged half-termly based on attendance patterns. Fees will be charged to your online account which can be accessed via SCOPay and should be paid through the online payments system or by childcare vouchers.

In the event of missed days due to sickness or any other reason, fees for additional sessions beyond free entitlement will not be refunded.

Payment of fees is required by the **end of each half-term**. After 30 days, your account will be referred to the Head Teacher who has authority to reduce your hours to your free entitlement hours only until the account is settled in full.

Illness

Children who are unwell should not attend Nursery. Children who have suffered from sickness or diarrhoea will not be admitted back to Nursery until 48 hours have passed since the last episode.

Please also see the school's guidance on illness [Bexton Primary School: Guidance Bexton Primary School: Guidance on illness on illness](#) for further information regarding illness exclusion periods.

Parents must inform the Nursery immediately if their child is suffering from any contagious disease. For the benefit of the other children in the Nursery, we cannot allow children to attend Nursery if they are suffering from a contagious disease which could be passed on to another child during normal daily activities of the Nursery.

If children are unable to attend the Nursery due to illness, please telephone the Nursery to inform us.

Medication

Medication is only given when prescribed by an appropriate person and with parental permission. The medicines form must be completed and the medication clearly marked with the child's name and dosage instructions.

Please see the school's Administration of Medicine Policy for further information.

Allergies, asthma and medical conditions

We ask for details of any allergies or medical conditions on our registration documents. If your child has a medical condition, we will ask you to complete a healthcare plan. This is reviewed annually.

Parents / carers must inform the Nursery immediately in writing if their child develops an allergy, asthma or any other medical condition.

Medicines for long term conditions will be stored with the healthcare plan in our medicines box.

As the number of children with nut allergies is on the increase, we ask parents to support us in our aim to keep the Nursery building a nut-free environment. Please do not send your child with any snacks that may contain nuts or any empty food packaging that may have contained nuts.

Child collection

All children must be collected by a responsible adult over the age of 16. We will only allow your child to leave with an authorised person. If someone other than the people listed on your application form is collecting your child, we need evidence of the person's identity when they arrive at Nursery and an agreed password will be requested.

It is important that your child is collected at the agreed time. Please contact the Nursery office if you are going to be late. If you are late collecting your child, we reserve the right to charge an extra fee of £5 for every 15 minutes, or proportion thereof, that you are late. This is because it will be necessary to pay staff to stay late.

Behaviour and conduct

The Bexton Nursery and Pre-school staff will at all times maintain a courteous and professional attitude towards children, parents, carers and staff. We will not tolerate staff being treated in a threatening or abusive manner by parents, carers or children. Such behaviour may result in the termination of a nursery place.

We will support parents and carers in managing children's disruptive or inappropriate behaviour, however if behaviour is deemed by the Head Teacher to be unacceptable or to be endangering the safety and wellbeing of others children, we may require your child to be withdrawn for a period of time.

Please also see the school's Behaviour Policy for more details. [Bexton Primary School: Bexton Policies](#)

Safeguarding children

Please see the school's Safeguarding and Child Protection Policy for further details. [Bexton Primary School: Bexton Policies](#)

Uniform

Children attending Bexton Preschool and Nursery are not required to wear a uniform, however polo shirts and sweatshirts are available from the school uniform supplier.

Termination

We may immediately end our contract with you if you fail to adhere to agreements made by you to clear outstanding Nursery fees; if the parent/carer has behaved unacceptably; or if a child's behaviour at Nursery is deemed by the Head Teacher to be unacceptable or endangers the safety and wellbeing of the other children at the Nursery.
