

Home Learning Information
WC 04/05/20 *Wellbeing activities*

These activities are designed to be completed at home whilst school is closed. They are not compulsory, but intended to support families whilst we are unable to be with your children at this time.

Make a balloon pet!

Blow up a balloon. Draw a face on the front. Cut and tie a leash on. Make paper ears and a streamer for the tail, then stick them on with tape. Why not take them for a walk!

Sweet or savoury?

Decorate a biscuit or cracker – make a happy face using sweets, fresh or dried fruit, crisps, cheese or ham. Let your imagination go wild!

Lego challenges

Build a marble run or maze for a Lego person. Try it out. Does it work? Ask a family to see if they can find the way out.

Hand clapping games

How many of these do you know or remember!

Jigsaw puzzles

Share a puzzle together. You don't need to finish it in one session – come back to it and make it a family activity/ challenge.

For further activities and ideas have a look at Thrive approach in Twitter or Facebook
