

Equality Objectives

Bexton Primary School is committed to promoting and achieving equality of opportunity for all pupils, parents, staff, governors and visitors. We believe that all people are of equal value and are entitled to equality of opportunity irrespective of:

Age, disability, gender, pregnancy, race, religion or belief, or sexual orientation

Our equality objective is to develop a fully inclusive community within school and to promote the contribution of people from all groups to the development of our society.

We will achieve this by:

- Reviewing the names of the school “houses” to ensure they reflect all groups - done, house names changed to Farah, Weir, Simmonds and Ennis
- Ensure that the contribution to society of representatives of all groups outlined above is highlighted within our curriculum (ongoing)
- To undertake an exercise with our pupils to eradicate the use of racial terms and homophobic language within the school (ongoing)
